### **Notification of Factory Name Change**

Dear valued customers,

Thank you very much for your continued support and business. We sincerely appreciate your trust in us as a partner in medical device manufacturing, including our OEM services.

We are writing to inform you of a change in the name of one of our key manufacturing facilities, effective February 1, 2026. This name change is part of our strategic efforts for business development.

Please be assured that this is a change in the facility name only. There will be absolutely no changes including the following:

- Location/Address and existing functions such as packaging, sterilization, shipping the goods, etc.
- Manufacturing equipment or facility structure
- Organizational structure or personnel
- Quality standards of products (including OEM products)
- Existing contracts or service levels

Our commitment to providing you with high-quality medical devices and reliable OEM services remains unchanged. We look forward to your continued partnership.

#### **Details of the Change**
